

## Disability Inclusion-Focused Employer Survey

The NOD Employment Tracker™ is a yearly benchmarking survey assessment NOD administers for companies to measure and track their disability inclusion programs, policies, practices, and talent outcomes. It was created to help companies make disability inclusion part of their overall business strategy and find the right talent while also removing inclusion barriers. The NOD Employment Tracker™ results provide a benchmarking report that can help your company move through the disability inclusion maturity curve and achieve your goals.

### The Basics:

- Submit by March 29, 2024 at 11:59 PM EST
- Free confidential assessment
- Benchmark performance in disability and veterans' inclusion against the other 225+ companies in the pool
- Available to all organizations and companies
- Top performers receive the Leading Disability Employer Seal

### Key Areas of Measurement:

  
Climate &  
Culture

  
Strategy

  
Talent Outcome  
Metrics

  
Talent  
Sourcing

  
People  
Practices

  
Workplace Tools  
& Accessibility

### How it Works:

- Sign up for the NOD Employment Tracker™ on the NOD website to receive the instructions and survey link
- Download the Tracker questions before you begin so you can prepare your answers
- Receive your free Tracker Scorecard and schedule a debrief with one of our experts
- Make changes in your organization's policies based on your Tracker Scorecard results
- Complete the Tracker annually to chart YOY progress
